

Prairie Grove is a growing community of approximately 8500, located 4 miles west of Fayetteville. Though traditionally an agricultural area, the City has transformed into a small successful retail and industrial community, home to numerous businesses and small manufacturing facilities.

The City also has many subdivisions with lots available. Housing in the City is diverse, with many older traditional homes and many that are new construction.

The City is known for its small-town values, but offers many amenities that are often only found in larger communities. The [Aquatic Center](#), the [library](#), and [parks](#) are among the features that make Prairie Grove attractive to families.

Prairie Grove is rich in [history](#). From the acres and acres of historic preservation in the State Battlefield Park, to the downtown businesses and older residential neighborhoods, many buildings date to the turn of the century or even earlier.
